**RE: APPLICATION FOR POSITION OF ASSISTANT DIRECTOR
ADMINISTRATION SERVICES REF. No. ADAS/36/2024-25**

I am writing to formally apply for the position of Assistant Director, Administration Services advertised internally on March 26, 2025. I have extensive experience in Public Administration since 2010 when I was employed as District Officer by the then Ministry of Provincial Administration and Internal Security.

I have advanced progressively through more responsible positions at the Ministry of Interior and Coordination of National Government and the Kenya School of Government.

During my tenure at the School, I have developed exceptional management and administrative skills that have continued to contribute to my ability to work with all cadres of staff including leaders across the School as well as outside while consistently earning exemplary scores on my annual performance evaluations by my supervisors.

In addition, I have participated in assignments that have contributed to the visibility of the School in the Region and Globally. I am currently in my second semester at the University of Nairobi, undertaking my Master of Arts in Diplomacy.

These are just a few examples of my accomplishments and contributions to the Realization of the School's Vision. I hope that you will find that this brief view, in combination with the attached resume, describes a dedicated employee with the experience and skills to meet the requirements for the position of Assistant Director Administration Services.

I appreciate your consideration and look forward to discussing this opportunity for promotion with you at your convenience.

Yours sincerely,

Elizabeth Ngava
