Dear Sir,

RE: Application for Position of: Principal Administration Officer – Job Reference Number - PAO/36/2024-25

I am writing this resume to apply for the position of a Principal Administration Officer, **Job Reference Number: PAO/36/2024-25** at The Kenya School of Government as advertised on the official email of the school.

Over my **13 years of experience** working as an Administrative Officer and Program officer at the Kenya School of Government, I have accumulated a wealth of experience from the duties assigned to me in the department of Learning and Development, The Directorate of Linkages and Collaborations and my role as the officer in charge of The Kenya Association for Public Administration and Management (**KAPAM**). I am confident I meet all the requirements as stated in the career guide for this particular position I am applying for.

During the execution of my responsibilities as a **Senior Administration Officer** for the past 7 years, I have been involved in various tasks such as developing draft budgets, collection and analysis of data, preparation of project reports and presentations, role of supervising KAPAM program assistants assigned to me and the organization of successful workshops, seminars and activities of KAPAM. I have also collaborated with various government organizations and The African Association for Public Administration and Management (AAPAM) in executing different assignments.

I strongly believe I have the skills requisite to assume more responsibilities and expand my contribution to the School's core functions and mandate. I have been pursuing a **Master's Degree** in Diplomacy and International Studies at the University of Nairobi in which I recently completed the coursework in January 2025. This will impart me with valuable skills that will help me add value into my department. I am proficient in using various software tools and continue to comply with the set values and ethics of the public service.

For these reasons I would request for your consideration for a chance to an interview to further elaborate on how I would add value to the organization if offered a chance. I have had a wonderful working journey in my current position as a Senior Administrative Officer and I look forward to a more exciting challenges as a **Principal Administration Officer**. I thank you in advance for considering my request and will patiently await for your response.

Yours Sincerely,

Halima Sadia Aden Sugow
