Dear Sir/Madam,

RE: Principal ICT Officer Job Application

I hereby submit my application for the Principal ICT Officer position.

I am looking to bring nine years of IT experience and accomplishments within diverse environments, utilizing; exemplary management, well-honed analytical, organizational and interpersonal skills, leadership acumen, a solid work ethic and a desire to excel.

Pertinent skills and experience include:

- IT Policy formulation, Implementation and continuous monitoring
- Leading, planning, performing and documenting Information security Audits
- Vulnerability Assessments
- IT Business Continuity Management
- Information security reviews; threats & vulnerability assessments
- IT risk identification, analysis, evaluation and management
- IT risk mitigation implementation and follow up
- Cybersecurity awareness trainings
- Information Security controls evaluation - Test of Design, Implementation & Operating Effectiveness
- Business processes automation
- Experience in full-cycle implementation of different ERPs including; SAP B1, Ms Dynamics Navision and INNOVA
- Data analysis using IDEA Data analysis software
- Fluency in database management

You can find more about my qualifications by going through my CV herewith. I hope to meet with you in an interview so that we can discuss my experience and your requirements further.

Thank you and I look forward to hearing from you soon.

Sincerely

Mercy Langat
