**POSITION OF PRINCIPAL CORPORATE COMMUNICATIONS AND
MARKETING OFFICER - PCCMO/34/2024-25**

I am writing to express my interest in the position of Principal Corporate Communications and Marketing Officer as advertised. With my extensive experience in corporate communications, particularly in my current role as a Senior Corporate Communications and Marketing Officer at the Kenya School of Government, I am confident in my ability to contribute effectively and further enhance the organization's communication strategies.

All through, I have gathered an understanding of the significance and influence of the Corporate Communications and Marketing Department to the School in regards to corporate visibility and positioning.

I have successfully been part of a team that has implemented corporate communications and marketing policies and strategies that consistently improve internal and external stakeholder engagement, ensuring a positive representation of the organization.

My leadership experience in various roles has sharpened my skills in organizing and planning, enabling me to work cohesively as part of a team or independently when required. I pride myself on my ability to think creatively and adapt to changing environments, ensuring the effective delivery of communication objectives.

I hold a B.A. in Communications from Daystar University and I am pursuing advanced training in strategic communication from Aga Khan University. My commitment to continuous professional development is reflected in my involvement in committees focused on welfare, career guidance, and curriculum development, as well as my consultancy efforts in shaping communication strategies for various departments.

I look forward to the possibility of discussing my experience. Thank you for considering my application. I am excited about the opportunity to contribute to the team to help elevate KSG's communication efforts.

Thank you for your consideration.

Yours sincerely,
