Director General,
Prof. Nura Mohamed
Kenya School of Government
P.O. Box 23030,
NAIROBI

22nd April, 2022

Dear Director General:

REF: Application for the Position of Senior Principal Lecturer

I am submitting my application for the above position as advertised on the website. This is a letter of expression of interest in the position as I believe that I have the relevant skills required for it.

As provided in my Curriculum Vitae, I have over 15 years of experience in curriculum development, research and training in the following areas: Public Policy, Diversity Management, Gender Mainstreaming and Corporate Governance among others.

My academic background consists of a Bachelor's degree in Arts with an Education Certificate, Masters in Development Administration with a major in Political Economy of Development and a law degree specializing in Trade Law. These academic qualifications have prepared me for the work I have done at the Kenya School of Government where I have been the leading expert on issues of diversity management including gender, disability mainstreaming, and ethnic diversity as well as public policy. As provided in my curriculum vitae, I have been involved in the development of policies, research papers and consultancy services in these areas in collaboration with various government stakeholders.

As the Head of Department in Business Development and Training at the Kenya School of Government in 2018-2021, I provided overall leadership and supervision in admissions as well as overseeing the development of training material and timetables together with a team of over 30 staff members, some of whom included senior professional staff. I therefore have management skills, as well as the capacity to oversee and implement the training activities required for this position.

My diverse academic background makes me an ideal candidate as I will be able to have a multi-disciplinary perspective in curriculum development, research and consultancy services. I believe that I will provide valuable knowledge that will improve the school's programmes and visibility.

I hope that you will find my CV relevant for this position.

Sincerely,

A handwritten signature in blue ink, appearing to read "Gachire", with a stylized circular mark to the left.

Betty Muthoni Gachire
