Profile

I am a certified human resource management professional with over 10 years' experience. As a self-driven and motivated individual, am eager to share knowledge to build dynamic teams with the aim to create synergy and grow individuals in their career paths. I am currently serving in different capacities both in my career path and in the bigger Human Resource Community in Africa. My purpose is to impact positively by creating avenues for mentorship, publishing as an avenue to share knowledge, nurturing talent through development and implementation of competency frameworks, talent management, As an author who aims to inspire the universe by sharing knowledge I have published two books in the year 2024 and 2025 respectively titled: The Ideal Supervisor, Through the Lens of Human Resource Management, and The Balanced Professional, Unlocking Mental Wellness in the Workplace.
