Dear Sir,

22 April 2025

RE: APPLICATION FOR OFFICE ASSISTANT I (REF: OFAI/53/2024-25)

I am writing to formally apply for the position of Office Assistant I at the Kenya School of Government, as advertised in the Internal Advertisement, under reference **OFAI/53/2024-25**. With over fifteen years' service in the Administration Services Department—first as Support Staff (2009–2015) and currently as Supervisor of the Grounds Section (2015–present)—I bring proven reliability, attention to detail, and a strong commitment to maintaining an efficient and welcoming Campus environment.

In my current supervisory role, I prepare zonal, monthly, and quarterly reports; manage equipment maintenance and requisitions; and lead a team to ensure clean, safe, and aesthetically pleasing grounds. My achievements include establishing a tree nursery, spearheading procurement of modern grounds-maintenance machinery, rehabilitation of the School's main field and installation of the waste-segregation garbage bins. These experiences have honed my organizational, communication, and record-keeping skills—key competencies for an Office Assistant tasked with supporting administrative workflows.

I hold a KCSE certificate (2007) and have completed several professional courses at KSG in Supervisory Skills, Records Management, Public Relations, and Report Writing. I am proficient in Microsoft Office and certified in First Aid and Fire Marshal duties. I am confident that my background and skill set align well with the requirements of the Office Assistant I role.

Thank you for considering my application. Attached, do find my CV for your review.

Yours faithfully,

Joseph Munyao
