Dear Sir,

RE: APPLICATION FOR THE POSITION OF SENIOR PRINCIPLE LECTURER

I hereby submit my application for the recently internally advertised position of Senior Principal Lecturer at the School.

I currently hold the position of Assistant Director, Human Resource Management & Development at the eLearning and Development Institute (eLDi). I coordinate the planning and implementation of all activities at the Institute for effective and quality service delivery. Occasionally am also involved in the execution of the implementation of training programs and consultancies as need may arise.

I look forward to an opportunity to translate to faculty having worked in administration for the past 26 years. The exposure I have had during implementation of large consultancies, when closing programs and the preparation I had when undertaking 'Pedagogy for Senior Programs' training has prepared me for a faculty position at the School.

Thank you and look forward to a favorable response.

Sincerely yours,

IRENE K. ONDATI (MRS)
