PROFESSIONAL EXPERIENCE

Kenya School of Government, eLearning and Development Institute (eLDi)

7 May 2007 - todate

ASSISTANT DIRECTOR, HUMAN RESOURCE MANAGEMENT AND DEVELOPMENT

2024 – Redesignated from Human Resource and Administration Manager to current title in line with PSC approved nomenclature

2008 – Redesignated from Administration Assistant to Human Resource and Administration Manager by stakeholders to head Administration department

Reporting to the Director of the Institute and working closely with corporate, the position provides leadership and guidance in the administration department to ensure operational efficiency and effective service delivery.

The position is specifically responsible for the following:

1. Implement administrative policies, procedures and regulations to ensure operational effectiveness and efficiency at the Institute.
2. Develop and implement departmental annual budgets and work plans in provision of services as per established standards of performance
3. Participate in the development and implementation of strategic plans, policy and programs of the Institute.
4. Plan and implement approved projects for physical infrastructure development at the equipment at the Institute
5. Initiate processes for provision of resources required to implement planned activities for continuity of business operations
6. Maintain communication with internal and external stakeholders to facilitate smooth and quality service delivery
7. Provide overall guidance in the setting of the annual targets which are measurable to meet the objectives of the department.
8. Develop and implement Human Resource Capacity development strategies

9. Implement human resource management policies, rules and regulations in compliance with labor laws and other statutes that impact on the human resource
10. Coordinate the implementation of the Institute's annual performance appraisal system
11. Overseeing the preparation and implementation of the Institute's procurement plan aligned to the School's Annual budget and Procurement Plan.
12. Participate in the implementation of various Institute activities including planning and consultative meetings with clients for execution of consultancies, training events and conferences.

Achievements

- (i) Coordinated and co-chaired the meetings for the successful launch of the Probation and Aftercare Service Blended Induction Program on 28 April 2022.
- (ii) Coordinated the implementation of the KHHSP Project concurrently in 6 sites from Sept 2014 to June 2016. I was involved in the following 3 of the 4 components that the Institute undertook:
 - a. Marketing of programs to Counties (I visited 4 counties and met with Governors and CECs)
 - b. Implementation of training programs where I was involved in taking the 1st session with participants
 - c. Monitoring and evaluation
- (iii) I was involved in the Knowledge Management Consultancy for EPRA in interviewing key staff.
- (iv) Coordinated all events including the Inauguration of the Institute between 2007 to 2013 when an additional officer was recruited in the department
