

Rachel Ngesa Maina, Ph.D.

BIOGRAPHY

Rachel Ngesa Maina holds a Ph.D. in Educational Psychology specializing in psychometrics and advanced statistics, a Master's degree in Educational Psychology, and a Bachelor of Education Science. She currently serves as the Director of Learning & Development at the Kenya School of Government (KSG) with over 30 years of experience in adult training, research, consultancy, advisory services, and outreach services.

Her career spans roles at Teachers Service Commission and adjunct faculty positions at Kenyatta University, National Defense College, Defense Staff College, USIU-Africa, Kenya Institute of Professional Counselling, and Kenya Educational Management Institute. She has coordinated global and national conferences and symposia, and presented papers published extensively in journal articles, book chapters papers and researched case studies), and presented papers at international conferences.

Dr. Ngesa has led key projects such as the World Bank "State of Public Services in Africa" (AMDIN/AU), the "Skills Audit Survey" for South Sudan. She is also the project manager for capacity-building programs in Federal Government of Somalia and Liberia.

Her expertise includes Impact Evaluation, skills and competence audits, Workload analysis, Training Needs Assessment (TNA), Training Impact Assessment (TIA), customer and employee satisfaction surveys.

She is an active member and peer reviewer for the African Association of Public Administration and Management (AAPAM) and the Kenya Association for Public Administration and Management (KAPAM).

CAREER OBJECTIVE

To champion transformative learning and development by delivering high-impact training, research, consultancy and advisory services that promote innovation, growth and institutional excellence.
