The marking exercise will commence at 8.30 a.m. on **Thursday, 11 June 2009.**

I wish to inform you that this is a personal appointment and is not transferable. The following is a brief outline of rules and regulations regarding this appointment:

1. **Examiners wishing to participate in the marking exercise should participate in:**
 - (a) **The preparation of the marking scheme at the commencement of the marking exercise on Thursday, 11 June 2009.**

4. A marker should not engage himself/herself in the marking of scripts from centres where he or she teaches or for candidates known to him/her.
5. **Markers are advised to pick the question paper from KASNEB offices before the marking starts in order to prepare their independent solutions.**
6. At the marking centre, markers should agree on one common suggested solution and should also agree on how to award marks.
7. **Copies of the suggested solutions should be surrendered to the Board after the marking exercise.**
8. Markers will be paid on the basis of scripts marked at the rate of Sh.45 per script for KATC, KAME, CM, ISA Technician and CICT- Foundation Level subjects.

12. **A marker will be required to transfer marks from the script (answer booklet) to the marksheet after the team leader has verified the marking for the centre. A marker will also be required to complete the marks distribution form and to participate in the writing of both the individual and group reports.**
13. **NB: A marker who does not participate in (1) above will not be allowed to mark.**

It is the wish of the Board to have this exercise completed as soon as possible and therefore markers are requested to balance speed, accuracy and thoroughness.
